Built for 20 devices

Charge up to 20 Chromebooks, laptops, or tablets up to a 16" screen.

Intelligent Charging

Futura 20 determines the best charging sequence with no programming required. Devices are efficiently charged and protected from any circuit overload.

Adjustable slots

Customizable dividers make placing and pulling devices easy, comfortable, and safe. Futura 20 allows flexible storage for classrooms managing mixed or large devices.

Sleek and compact

Futura's small footprint provides easy storage for any classroom size. At only 27" wide, the Futura 20 footprint leaves more learning space while managing your 1-to-1 devices.

Extra-Large Slot Design

Futura's adjustable dividers give classrooms the ability to customize slot dimensions to fit their device needs up to 1.72" in width and 16.5" in depth.

Revolutionary Cable Management

Experience simple device management with less slip-n-slide using Futura's cutting-edge cable technology to secure cords from slipping out of place.
