## NoteBox Phones 20

Key lock, Storage without charge

NoteBox Phones 20 is a compact storage solution for 20 mobile phones.

NoteBox Phones 20 is a compact and convenient storage box that holds up to 20 mobile phones. Phones can easily be placed and locked away in the NoteBox.

It is easy to hang the NoteBox 20 on the wall in the class or staff room, office, etc. Placement of NoteBox is flexible. The small storage boxes can also be placed on a desk or stacked if required..

With NoteBox 20 you get a small, robust and flexible box for secure storage of up to 20 mobile phones.

## NoteBox Phones 20 Solutions

- Designed for storing up to 20 mobile phones with a size of up to 7 inches.
- The NoteBox is a robust, small steel box.
- The sturdy NoteBox holds compact compartments that protects the devices and provides flexibility in terms of device size with or without a cover.
- The NoteBox can be placed on a desk or mounted on the wall. It can be stacked with as many devices as necessary.
- The NoteBox is equipped with a key lock as standard. It is also possible to fit NoteBox with a 6-pinned Ruko mail box lock.
